EXPERIENCE

Lead Frontend Web Developer

Two Barrels, LLC | July 2016 - PRESENT

I started as a Frontend Web Developer in the summer of 2016. I was later promoted to Lead Frontend Web Developer in Oct 2019. In this role I manage a diverse team of over 10 frontend developers. I work with other departments and team leaders to develop internal products and client services. My team's duties include translating design mockups into custom Wordpress themes, maintaining custom internal Wordpress plugins, and maintaining a large number of Wordpress websites. The langauges I use daily are HTML, CSS, Javascript, Jquery, and PHP.

Founder & Lead Developer

JNT Creative, LLC | Aug. 2017 - PRESENT

In August 2017 I founded my personal web development company, JNT Creative. I've had the opportunity to work with a diverse array of companies and individuals to bring their brands online.

IT Manager

Mt. Spokane Herbs | Jan. 2015 - Feb. 2017

I had the opportunity to build and maintain the company website. I also set up and maintained the company's security system.
